The certifications on this page are subject to the penalties for false statements under 18 U.S.C. 1001.

**AFFIDAVIT OF COLIN WOOD**

I, Colin Wood, being first duly sworn upon oath, affirm that the following statements are true and correct to the best of my knowledge and belief:

1. I am employed by TransWorld Network, Corp. ("TransWorld" or "Company"), a wholly owned subsidiary of PCC Holdings, Inc., as its Chief Executive Officer ("CEO").
2. TransWorld offers broadband/voice service to both residential and business consumers in Arizona, New Mexico, Texas, and Indiana over its Wi-Power® fixed wireless broadband network. TransWorld offers many value added services, including Internet access, voice, and managed data services.
3. TransWorld's network facilities have a proven high-level of reliability and performance and are relied upon by its customers, including residential, enterprise, government and non-government organizations ("NGOs").
4. TransWorld has been designated as a conditional Eligible Telecommunications Carrier ("ETC") for purposes of participating in Connect America Fund ("CAF") support mechanisms in New Mexico, but, to date, the Company has not participated in any CAF auction or support mechanism and is not receiving any high cost universal service support. In Arizona, TransWorld was designated as an ETC and is currently eligible for, but is not receiving any, high-cost or Lifeline support.
5. TransWorld reviewed "A Basic Guide to the Connect America Phase II Challenge Process" revised 7/31/14 ("Guide") (*see* <http://www.fcc.gov/encyclopedia/connect-america-phase-ii-challenge-process>) and the list of census blocks eligible for Phase II support that are subject to the challenge process (*see* <http://www.fcc.gov/wcb/SS20140414CAM411%20Support%20Locations.csv>).

6. In my capacity as CEO for TransWorld, I am familiar with the Company's deployment of broadband and voice services, and the locations where the Company has deployed such services.
7. TransWorld is challenging the classification of the census blocks listed on the attached FCC Form 505 ("TransWorld CBs") as being unserved based upon the Company providing broadband/voice service, to consumers in the census blocks that meets the performance and pricing requirements identified in the Guide.
8. TransWorld is an unsubsidized competitor – a facilities based provider that does not receive high-cost support and is providing residential fixed broadband/voice service meeting the defined characteristics identified below.
9. The Company provides broadband/voice service to at least one consumer residing in each of the TransWorld CBs that meets the following performance and pricing requirements ("applicable requirements"):
  - a. 4 Mbps downstream and 1 Mbps upstream;
  - b. a broadband service offering with a minimum usage allowance of at least 100 GB/month at a price that is reasonably comparable to similar wireline services in urban areas;
  - c. a round trip provider latency of 100 ms or less; and
  - d. a non-promotional price for voice service that is below \$46.96 and a non-promotional price for broadband that is below the interim benchmark of \$60.
10. Attached to this Affidavit, which I also affirm to be true and correct to the best of my knowledge and belief, is a list of the TransWorld CBs, the number of TransWorld customers located in the TransWorld CBs, and the state in which the TransWorld CBs are located.

11. As an unsubsidized competitor, TransWorld is currently providing broadband/ voice service that meets the performance and pricing requirements in the TransWorld CBs, and therefore CAF Phase II support should not be made available to price cap carriers in the same census blocks.

Further, Affiant saith naught.

By:   
Colin Wood, Chief Executive Officer

STATE OF FLORIDA                    )  
  ) ss.
